

Mohamed Ahmed Rashed Atia

DATA ANALYST · PYTHON · SQL · POWER BI · TABLEAU

Alexandria, Egypt | +20 105 094 8781 | beshny2003@gmail.com | linkedin.com/in/bishnie | github.com/bshni

PROFESSIONAL SUMMARY

Data Analyst trainee (Digital Egypt Pioneers Initiative, Round 5 — Ministry of Communications and Information Technology) with an accounting degree background from Alexandria University. Hands-on experience in Python (Pandas, exploratory data analysis, object-oriented programming), SQL, Microsoft Power BI, and Tableau, gained through structured training and an end-to-end retail analytics project covering data cleaning, feature engineering, statistical analysis, and automated KPI reporting. Combines accounting fundamentals with data-driven decision-making and C1-level English proficiency.

CORE SKILLS

Programming & Analytics: Python, Pandas, SQL, Exploratory Data Analysis (EDA), Statistical Analysis, Data Cleaning, Feature Engineering
BI & Visualization: Microsoft Power BI (Power Query, DAX, Data Modeling), Tableau, Data Storytelling, KPI Reporting
Data Engineering & Databases: SQL Joins, Common Table Expressions (CTEs), Stored Procedures, Views, Database Design
Tools & Platforms: Git, GitHub, Jupyter Notebook, Microsoft Excel, Microsoft 365, Google Sheets
Business & AI: Accounting, Financial Reporting, Data Governance, Generative AI, Large Language Models (LLMs), Prompt Engineering

WORK EXPERIENCE

Data Analyst Trainee — Digital Egypt Pioneers Initiative (DEPI), Round 5, MCIT, in partnership with Skills Dynamix Jul 2026 – Present

Alexandria, Egypt · Hybrid

- Selected for a national scholarship and professional training track in data analytics under Egypt's Ministry of Communications and Information Technology.
- Developing Python skills for data analysis, including Pandas, data cleaning, exploratory data analysis (EDA), and object-oriented programming.
- Building SQL skills across joins, common table expressions (CTEs), stored procedures, views, and database design.
- Building interactive dashboards and data stories using Tableau and Microsoft Power BI, including Power Query, data modeling, and DAX.
- Completing six graded mini-projects across Python, SQL, Tableau, and Power BI, plus an end-to-end capstone project with an executive presentation.

Internship Trainee — Commercial International Bank (CIB), Summer Internship Program 2024 Sep 2024 – Nov 2024

Alexandria, Egypt · Remote

- Completed a structured banking internship spanning five modules: banking operations, ESG, financial literacy, entrepreneurship, and digital transformation.
- Practiced professional workplace communication and active listening while engaging with data-driven business contexts.

PROJECTS

Superstore Retail Analytics — Advanced Python Data Exploration & Automated Reporting

[github.com/bshni/Mini-Project-001-Superstore-retail-analytics-project](#)

- Built an end-to-end analytics pipeline on the Sample Superstore dataset (9,994 rows, 21 columns) to uncover profitability, shipping-efficiency, and sales-performance drivers.
- Implemented reusable, chainable object-oriented preprocessing pipelines with exception handling for missing values, duplicates, inconsistent formatting, and IQR outlier detection.
- Engineered Profit Margin, Shipping Duration, Sales Performance Category, Discount Bucket, and calendar features; performed correlation, statistical significance, and trend analysis using `scipy.stats`.
- Created 11 Matplotlib/Seaborn visualizations, an assembled dashboard, automated KPI summaries, and a final analytical report.

EDUCATION

Alexandria University — Bachelor's Degree in Accounting 2022 – 2026
Faculty of Commerce GPA 3.4090 (A-)

CERTIFICATIONS

IBM Data Fundamentals — IBM SkillsBuild	Aug 2026
Associate Data Engineer in SQL — DataCamp	Jan 2026
AI Fundamentals Certificate — DataCamp	Dec 2025
Data Literacy Certificate — DataCamp	Aug 2025
McKinsey Forward Program — McKinsey & Company	Dec 2024

Additional training: Zoho Books (Udemy), Ubuntu Linux Essentials (MaharaTech/ITI), ICDL (Edraak), HSBC Job Simulation (Forage), AI for Everyone (MaharaTech/ITI), Egyptian Banking Institute — Financial Literacy for Youth, Data Literacy (SAS), Digital Literacy & Productivity (LinkedIn Learning), Sales Fundamentals (Udemy), First Aid (Edraak), Debating Basics (Community Misk), Emotional Intelligence (Edraak).
